Issue	Correction/Response
Auto rotate isn't working. Is it by design?	Yes. this is by design.
Sample/solve exam questions not working	Fixed.
Take mock exam(UTME) not working	Fixed (Removed UTME)
The view answer should have a back button	Fixed
Can there be a vertical multiple choice bar?	Did Not implement Because i think user Would still have to calc Before choosing an Answer in a live waec Exam anyway.
Action buttons are a bit confusing; "Submit Exam" Is confusing	Fixed. In addition to pressing the next">" Button you can also Swipe across the Screen. "Submit Exam" Changed.
Performance graph squished up/Dont know what "500E3 means/ Suggestion section too small/Progress	Fixed. Made the graph Wider and inserted some Explanations about the Graph characteristics. Suggestions screen Moved up as suggested
Report link leads to blank screen	Fixed(Most favorite part Of the app).
